

## **Japanese subscribed on-line resources**

### **Nichigai Web MagazinePlus** (=Article index)

A current journal index. It covers over 8,500 titles and contains 5.2 millions of articles. Earliest coverage is from 1945. The major part of the database covers 1981 onwards. Updated weekly and this index covers both popular magazines and academic journals. The content is same as the one from the National Diet Library site, but the search terms here are more efficient.

### **Nichigai Web Who 2** (=Writers and researchers who's who, made of 81,000 entries.)

### **Nichigai Web 'Sho no jiten fairu'** (= Awards Index )

It covers 2,700 awards in Japan on every genre. The winners' lists contain date on 200,000 recipients. This is updated monthly.

### **Nichigai Web Bookplus** (=Books in Print, Japanese edition)

The dates covered are 1927 onwards. Books published after 1986 have their contents pages included in the information as well.

### **Nichigai Assist Who** (=Who's who )

It includes 420,000 people's bibliographical information. Need username and password. This is updated weekly.

These five resources are only available through the Japanese PC in the Asian Collections Reading Room.
